Customer Specification and Sales Advice List

Sales Order No. _____

Customer Name _____

Sales Consultant _____

Dear Customer,

Thank you for choosing to purchase your bathroom from Colourwash. To help us to maintain the high standards we set ourselves, we have produced the following document by way of a checklist for matters that can be frequently overlooked. You may wish to present it to your installer or simply keep it for your peace of mind.

The Taps / Shower equipment I have selected require:

A High Pressure / Pumped Water System A Low Pressure / Gravity Fed Water System

The Radiator / Heated Towel Rail I have selected is manufactured from:

a Mild Steel, and must be connected to the boiler circulating water of a Heating System. Please ensure the correct corrosion inhibitors are present in the circulating water. Seek advice when using in apartment blocks.

or
b Brass or Stainless Steel and can be installed on most water circuits not containing salt.

The pan I have selected is suitable for the position of my soil pipe.

Specification of 'Special' & non-returnable Bespoke items have been thoroughly checked and agreed.
Note: The description of "specials" are prefixed by "SP" on your Quote, Acknowledgement and Order.

I have been requested to provide suitable help for unloading on the confirmed delivery day.

I have been reminded to check the condition of unboxed items and Baths & Ceramic items at time of delivery
(our driver will help you with this)

I have been reminded to check the condition of all other items within 48hours of delivery.

I have provided the full Delivery Address and any special instructions.

The Colourwash diagrammatic **Shower and Bath Checklist** has been agreed and completed.

My Sales Consultant has done everything he/she can to ensure I do not incur a 25% handling charge.

Cleared funds will have been paid 48 hours prior to delivery.

Please indicate any additions to the above in the spaces below

Thank you for your time and understanding.
